VISIT THE NEW BFAC  
MAJOR IMPROVEMENTS MADE TO POOL AND BATHHOUSE

Renovations to the Bloomington Family Aquatic Center (BFAC) bathhouse and offices, along with the installation of two new water slides, will make your pool experience all the more enjoyable this summer and for years to come.

In July 2010, safety concerns led to one slide’s closure. To continue to provide a safe, attractive play environment and to remain competitive with other aquatic facilities in the metropolitan area, the City replaced both slides with newer, safer models.

Updates made to the BFAC bathhouse include new locker rooms, offices and a central corridor to the pool deck with two family changing rooms.
